MEMORANDUM FOR: The Director of Central Intelligence

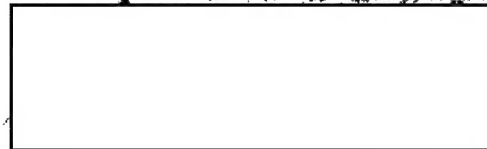

FROM:   
Deputy to the DCI for Resource Management

SUBJECT: Travel Request

1. Action Requested: Authorization to participate, at government expense, in the Western Economic Association conference to be held in Hawaii on June 21-24, 1978.

2. Background: I was invited by Dr. Charles Wolf, Jr. to present a paper and participate in a symposium on "The Uses and Limitations of Economics in Policy Research". The presentation will draw on my experiences working on national security program and budget issues at Rand, CBO, and here. It will be unclassified, and a copy of the first draft is attached. I will represent myself as Deputy to the DCI for Resource Management.

3. Costs: I will spend one day at the conference, adding it to a separately planned trip to visit contractors in California. The marginal cost of attending the conference is about \$85 in air fare, one night's lodging, and incidental ground transportation.
